Dear Mr. Garza,

RE: CONFORMANCE TO MACK EO-N PREMIUM PLUS 03 ENGINE OIL SPECIFICATION

Results from engine and bench tests, in accordance with Mack EO-N Premium Plus 03, have been presented to TEI for review as requested by Mack. In view of the results, we would like to make the following comments.

The results reported on the registration request have been found to be within Mack EO-N Premium Plus 03 limits and specification; hence oils formulated as stated in your request can be labeled as conforming to Mack EO-N Premium Plus 03.

Company Name: Lubricantes de América S. A. de C.V.

Brand Name: LUBRAL Super Diesel Turbo 15W-40 CI-4 Plus

SAE Grade: 15W-40

The oil shall be used per the ambient temperature and grade guidelines in the engine specific Operation and Maintenance (O & M) manual, as well as in any Mack service documents.

Please notify TEI and Mack immediately if, for any reason, the formulation for this oil changes. Changes to the oil formulation, without written approval, may void this letter of conformance. In addition, as per the Mack specification, this product will be subject to future field sample analysis for compliance.

Sincerely,

Steve L. Gearhart

cc: Greg Shank

DISCLAIMER: Product registration means the manufacturer or marketer has faithfully collected information pertinent to the requirements of the specification and with the full intention to conform to the specification. However, it is still the responsibility of the manufacturer or marketer to ensure satisfactory performance of its products in all aspects at all times. Registration for Mack EO-N Premium Plus 03 does not waive the liability of the manufacturer or the marketer. Mack does not warrant the performance of non- Mack products, registered or not.
